Is Duke Energy's CEO-Elect
Worth Potentially \$8 Million a
Year?

Lynn Good to Take Over from
Jim Rogers On July 1 Ken
Silverstein | Jun 20, 2013 It's
an energy company that is in
transition. It's also one that will
have a new chief executive on
July 1. It's Duke Energy, which
has named Lynn Good as its
next leader and the one who
will succeed the charismatic
Jim Rogers. Is she ready and
worth her price tag? Her time
is coming when the nation's
largest ...

Even More Natural Gas May
Lie Deep, Deep Down
Scientists are revisiting a very
old question: What exactly is
natural gas? Some deposits,
long thought to be the
remnants of fossilized
organisms, may actually be
created by inorganic chemical
processes. If that ends up
being true, major gas pockets
might be found far below
where once-living material is
buried. A definitive answer will
take some time as scientists
tackle new questions relating

Ontario Liberal
wind power deal
slashed by \$3.7B
Ontarios signature
green energy deal
with Samsung was
a 'colossal
failure,'; the
opposition parties
charged Thursday
after the Liberal
government
slashed the \$9.7-
billion agreement
by more than one-
third. The province
will now buy \$6-
billion worth of
electricity
produced by
Samsungs wind
farms and solar
projects over the
next 20 years,
which is \$3.7-
billion less than the
original 2010
agreement, said ...

Vestas Sells Wind
Power Plants in
Bulgaria, Romania
Vestas Wind
Systems A/S
(VWS) agreed to
sell wind power
plants in Bulgaria
and Romania to
Lukerg Renew,
improving the
company's cash
holdings and
adding to earnings.
Vestas, the wind-
turbine producer
with the most
installed capacity,
will reap 127
million euros (\$168
million) from the
sale in the second
and third quarters,
it said in a
statement.
'Development and
ownership of
projects is ...

Oil falls as
monetary policy

and China hit
market
NEW YORK -- The
price of oil slid
again Friday on the
prospect of a
tighter supply of
cash and slower
growth in China.
U.S. benchmark
crude fell \$1.14, to
\$94 in New York.
The decline
extends a sharp
plunge that saw
U.S. oil fall from
nearly \$100 per
barrel in morning
trading Thursday.
Brent crude, which
is used to price oil
used by many U.S.
refineries to make
gasoline, fell \$1.38
to \$100.77. ...

Mexico's President
Pushes Reforms
for State Oil
Company
Petrleos

Mexicanos, known
as Pemex, has
long been the third
rail of Mexican
politics. The state-
owned company,
originally based on
oil fields seized
from foreign

owners over 70
years ago, has
produced sizable
government
revenue and union
jobs for hundreds
of thousands of
Mexicans. Foreign
investment has
been largely
restricted. But now
Pemex's main
asset, the giant
Cantarell offshore
field, is shrinking ...

Poland sees gas
link with Slovakia
as priority, ministry
official

Poland sees a
planned gas
interconnector with
Slovakia as a
priority as it seeks
to ensure security
of energy supplies,
an economy
ministry official
said. Poland wants
new gas links and
projects such as a
new liquefied
natural gas (LNG)
terminal in the
Baltic port of
Swinoujscie, which
is scheduled to
start operating in
2014, to reduce its
reliance on imports
from Russia.
'Today our priority

UPA slips on oil
slick: Rising
imports to skewed
domestic pricing,
the oil ministry is
awash with
problems
When M.
Veerappa Moily
took charge as
India's petroleum
minister from S.
Jaipal Reddy in
October 2012, he
exuded confidence

in setting right a
ministry mired in
controversies over
favouritism and
inordinate delays
in project
clearances. "Many
a time it happens
(that) you avoid
taking decisions.
That is not a
solution... And this
is where we need
to very seriously
work on," he said
then. He also ...

Kurdistan's Natural
Gas Resources
May Become a
Game-changer
Over the Longer
Term
If a firm manages
to create a
dominant position
in the Kurdistan
Region of Iraq
(KRG) oil business
this could, in the
long term, open a
door to the gas
business, as it did
in the Caspian
zones in the
1990s, when the
Baku ' Tbilisi '

Ceyhan oil pipeline
prepared the
ground for the
South Caspian gas
pipeline and
TANAP, the Trans-
Anatolian gas
pipeline. A similar
future may be
possible for the
KRG ...
